

# One Sheet Wonder #1

*using 6"x6" of patterned paper to make 3 cards*

## Cutting plan:

1. Cut the entire piece of 6"x6" patterned paper so 14.8cm i.e. cut ~4mm off one side
2. Turn the patterned paper 90° and cut the paper into 2" strips
3. You should now have three pieces of patterned paper measuring 2" x 14.8cm (approximately 5cm x 14.8cm)

4. Cut three co-ordinating card stock bases, two in landscape orientation and one in portrait.
5. Cut three card stock mats in contrast colour measuring 14.8cm x 5.5cm
6. Cut three sentiment squares in Whisper White card stock 2 ¼" x 2 ¼" (5.7cm x 5.7cm) in size.
7. Cut three mat squares in the contrast colour card stock 2 ½" x 2 ½" (6.3cm x 6.3cm) in size.
