

One Sheet Wonder #2

using 6"x6" of patterned paper to make 3 cards

Cutting plan:

1. Make the first cut at 10.5cm
2. Turn the 10.5cm piece of patterned paper 90° and cut at 7.6cm (3") to get two even pieces.
3. Take the last piece and cut it at 14.8cm to give you one long strip

4. Cut three co-ordinating card stock bases, two in portrait orientation and one in landscape.
5. Cut three thin strips of contrast card stock 0.5cm wide and two at 10.5cm long and one at 14.8cm long (or you can use ribbon or washi tape)
6. Cut three sentiments in Whisper White card stock either punched or die cut
